RE: Union Resignation & Agency Fee Objection/Challenge for the NEA/State EA/UniServ Council/Local Association

To Whom It May Concern:

Effective immediately, I wish to resign from the NEA, State EA, UniServ and the local education association. I object to the use of my agency fees by all levels of the NEA, State EA, UniServ Council, and local associations for nonchargeable activities and challenge union calculations.

I wish to receive a rebate of the percentage of my fee used for nonchargeable expenditures, with a full explanation of the calculation of the amounts that are chargeable and nonchargeable and of the unions' characterization of items as chargeable or nonchargeable. I also request written assurance that no portion of my fee will be used for political contributions or expenditures.

Note: Send by certified mail. There is no deadline to resign and request the agency fee rebate although the rebate may be pro rated based on when the request is submitted to the teacher union. Subsequent requests as a nonmember require that rebate letters be sent by the union's deadline each fall. Questions? Call NWPE at 800-380-6973 or contact us through our website at www.nwpe.org.
